The screenshot shows the PROSIS software interface. The top menu bar includes 'Parts', 'Service', and 'Diagnostics'. Below the menu is a toolbar with icons for 'Products', 'Service Bulletins', 'Repair', 'Safety', 'Diagrams', 'Descriptions', 'Time', 'Operator's Information', 'Installation Instruction', 'Machine card', 'Library', 'Search window', and 'Print'. The main window title is 'EPC4U' and the current profile is 'No profile selected'. The 'Recent' section lists several Volvo models. The 'Latest Service Bulletins' section shows a table with columns for Group, Product line, Number, Title, Applies to, and Date. The 'News' section is highlighted with a red box around the date '2018-01-16'. A red arrow points from the 'Latest Service Bulletins' section to the 'News' section. The text '2018 NEW' is overlaid in red.
